

FUND RAISING APPEAL

FOR BODHI TREE VIPASSANA RETREAT CENTRE

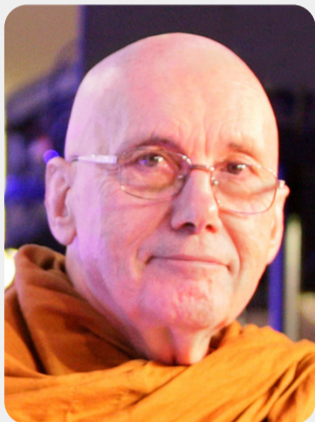

Venerable Pannyavaro founded Bodhi Tree in 2005, to assist people to penetrate to the heart of the Buddha's Dharma through the practice of Vipassana meditation.

The retreat facility is being developed to serve both lay and monastic practitioners, both locally in Australia and Internationally. Bodhi Tree is situated on ninety-five acres of beautiful land at Tullera, near Lismore in the Northern Rivers of New South Wales, Australia.

This purpose built retreat facility will accommodate 45 meditators in single rooms, with a dining room, kitchen, office, pavilion/si-ma and a meditation hall, with an amenities block as well as a bungalow for the teaching monks.

Bodhi Tree Forest Monastery, now well established, has successfully applied for and been granted the Development Application (permission) to build a community retreat complex. Preparatory work such as site preparation has been paid for and undertaken.

This project will establish the first purpose built Theravada Buddhist Vipassana Meditation Centre in Australia - open to all sincere practitioners. To enable this important project to continue and reach completion we are now seeking funding from Dharma supporters both locally and internationally.

Please consider assisting us to build this unique Vipassana retreat facility that will benefit generations of meditators locally in Australia and internationally - now and into the future.

Yours in appreciation,

A handwritten signature in black ink that reads "Pannyavaro".

Ven. Pannyavaro (Maha Thero)
Founder and Head Teaching Monk
Bodhi Tree Forest Monastery & Vipassana Retreat Centre
